

CALL FOR PAPERS

15 - 18TH JUNE | ENERGY SOLUTIONS FOR A SUSTAINABLE AND INCLUSIVE FUTURE

CONFERENCE OVERVIEW

The 46th IAEE International Conference takes place in Paris, France, 15 - 18 June 2025, with the main theme “ENERGY SOLUTIONS FOR A SUSTAINABLE AND INCLUSIVE FUTURE”

The 46th IAEE International Conference will focus on the economies of the different energy solutions envisioned for a sustainable future. It will also examine contemporary and emerging policy and regulatory questions to energy and climate. The event will bring together an international audience of academics, industry executives, experts, analysts, regulators and policy makers.

For further information please visit:
iaee2025paris.org

CONFERENCE VENUE

Palais des Congrès Paris

The conference will be held at the Palais des Congrès, the leading venue for international congresses in Paris.

On the first conference day, delegates will enjoy a welcome reception at the Conference hotel: Le Meridien. The Hotel interior is inspired by mid-century modern design, with clean lines accentuated by sculptural forms and rich fabrics, that are unmistakably reflective of Paris.

Conference's Gala dinner will be hosted by the City of Paris at the Hôtel de Ville. This unique venue will open its doors only for our delegates to guarantee an exclusive experience of the French hospitality, cuisine and fine wine.

STUDENT EVENTS

Students may, in addition to submitting an abstract, submit a paper for consideration in the IAEE Best Student Paper Award Competition.

We also encourage students to participate in the Student Poster Session and to submit a paper for consideration in The Special PhD Session.

Students may inquire about scholarships covering conference registration fees.

For more information, please contact:
iaee2025paris@oyco.eu

CONCURRENT SESSION ABSTRACT FORMAT

We invite submissions from scholars, practitioners, industry experts, and policy analysts working on either empirical and theoretical projects, case studies, or policy evaluations in all areas of natural resources, energy economics and policy, and associated environmental questions. Authors wishing to make concurrent session presentations must submit an abstract that briefly describes the research or case study to be presented. Visit iaee2025paris.org to download our abstract template. Our abstract portal is now open for submissions.

PRESENTER ATTENDANCE AT THE CONFERENCE

At least one author of an accepted paper or poster must pay the registration fees and attend the conference to present the paper or poster. Authors will be notified by 28 February 2025 of the status of their presentation or poster. Final date for speaker registration fee, extended abstracts and full paper submission: 11 April 2025.
